

Agreement Regarding Insurance

Insurance is filed as a courtesy for our patients. We cannot, however, guarantee benefits or eligibility. We can only **estimate** what your insurance will cover. We will collect your portion at the time the service is rendered. Because we can only **estimate** your benefits, you may receive a statement from us after your claim has been processed.

Your insurance policy is an agreement between you and your insurance carrier. **You are responsible for knowing the benefits and limitations of your policy.**

We will do our best to help you maximize your benefits.
